Virginia Veterinary Disclosure Form (Please Read Carefully Before Signing)

St. Francis Animal Hospital is a full-service veterinary medical and surgical facility. We have business and medical staffing hours as follows:

Monday, Tuesday, Thursday & Friday 7:00am to 7:00pm

Wednesday 7:00am to 6:00pm

Saturdays 8:00am to 3:00pm

Closed Sundays and Holidays

Therefore this disclosure form is provided to inform you that we have no in-house, on-duty continuous medical staff as follows:

Overnight, from closing time at 7:00pm (6:00pm on Wednesdays) to opening at 7:00am.

Weekends from closing on Saturday at 3:00pm to opening on Monday at 7:00am.

Holidays, falling on Monday, from closing Saturday at 3:00pm to opening on Tuesday at 7:00am.

There is, however, a trained staff member who will be checking all hospitalized patients during the hours that the hospital is not fully staffed. That schedule is determined by the attending doctor and may vary with the needs of the individual patient. If you have questions concerning this policy, please don't hesitate to ask.

Also, if you would like continuous overnight care of your pet, discuss those options with the doctor or technician.

I have read this form and I am aware of the above staffing hours.
